

Dear Parents:

Welcome to the Red Hawk Swim & Fitness Center's Swimming Program! We are pleased that you will be joining us for our 2018 swimming season and are excited to start working with your children on their swimming skills.

In order for us to best meet the needs of your child, it is extremely important that we work together and follow the same set of guidelines. By following these simple rules, we can better ensure the safety and success of each child.

- During lessons, it is important that interaction with your child is kept to an absolute minimum. Our instructors are Water Safety Instructors and need to have your child's full attention in order to maximize their learning and safety. Chair seating is available for swimming lesson viewers. Please do not sit at pool edge during the lesson.
- We are here to assist you and your family. If you have any concerns or questions, please speak with your child's instructor or the manager before or after class and they will be happy to work with you.
- We ask that you please check in 7 minutes before your scheduled class time and exit the pool after each lesson.

For non-members: Purchase a swim pass and swim during your child's lesson!! Pay \$35 per person and swim during all 8 classes, or pay \$10 each visit to swim during class. Great for those families with siblings!! Limit 2 swimmers per swimming lesson student. Swimming is allowed during registered lesson only.

We look forward to making this a spectacular season!

Warmest Regards,
Alicia Hull, Manager Red Hawk Swim & Fitness Center
